Organised by the Eastern Partnership Connect (EaPConnect) project, EaPEC 2019 will be hosted by IIAP NAS RA (ASNET-AM) in Yerevan, Armenia, on 25-26 September 2019.

Attracting around 150 policy makers, researchers and experts on networking, cultural heritage, and high-performance computing for research and education, EaPEC 2019 focuses on e-Infrastructures for Open Science. This event gives sponsors the unique opportunity to get exposure to this segment of the fast-developing IT-market of the EaP countries and to showcase their brands, technologies, products and services.
